What to Bring on Your First Day of School

On the first day of school, all children should please bring:

- A complete change of clothes (shorts/pants, t-shirt, underwear, shoes, socks – depending on weather: a sun hat, a sweatshirt, clothes that can get wet). Please keep in mind that we will continue to be outdoors for large parts of the day, so send in clothing that can get wet, messy, exposed to sun, etc!
- 2 sets of bedding: child-sized fitted sheet, blanket, stuffed animal or other transitional toy

This school year, CLC will continue to launder all bedding, clothing, and transitional objects (including blankets, stuffed animals, etc) on site, so please plan to leave some of these items at school.

As necessary, children should also please bring:

- Diapers
- Wipes
- Pacifiers/teething rings
- Sippy cups/bottles

Please make sure to label all items, including clothing and bedding, with your child's first and last names.

Forms:

Please make sure all of the following forms are handed in to the office on your first day:

- NYC Health Form (filled out and signed by your doctor prior to the start of school - *children may not attend school without a completed medical form*)
- Emergency Contacts form
- Photography / Sunscreen / Neighborhood trips release form
- Medical Release form

If your child has any allergies, or other medical or special needs, please email Molly and Lily at mollyclnyc@gmail.com and lilyclnyc@gmail.com If your child requires an emergency Epipen, an Epipen release form must be on file with the office.
